There may be 1 or 2 days on tour when walking can cover 4- 6 kms over uneven terrain. Regular walking and light exercise before your trip can help ensure a more enjoyable and hassle-free travel experience.

Pace of Travel

The itinerary is moderately paced with a mix of sightseeing, travel between destinations and some time at leisure. Travel times between locations can vary, and road conditions may affect the schedule. Be prepared for some early starts and active days, but also enjoy some downtime to rest and explore independently. Flexibility will enhance your overall experience.

Tipping, Gratuities and Porterage

A friendly reminder that tipping, gratuities and porterage is not included in your Japan Land package. Tipping is customary in many countries as it makes up the wage component for these services. Many countries don't have a minimum wage like we do in Australia.

Tipping practices in Japan differ significantly from those in many other countries. In Japan, it's not common to tip for services such as those provided in bars, cafes, restaurants, taxis, and hotels. However, there is a custom in Japan of giving a gratuity, called "kokorozuke", (coming from the heart), in some situations. There are certain situations where tipping might be considered appropriate. For instance, if you've engaged a private guide or interpreter accustomed to overseas practices, they may accept a tip as a gesture of gratitude. It's worth noting that tipping is not expected and should be done discreetly, even in these cases. If you do decide to offer a gratuity, it is customary to put it in an envelope.

Tour Documentation

Final documentation, including e-tickets and hotel details, will be provided approximately 30 days prior to travel.

Travel Insurance

Travel insurance is recommended to protect yourself against the unexpected. In addition to the support that a policy may provide, you may be asked to present a copy of your travel insurance documentation while traveling. We have partnered with Nib Travel Insurance to offer our customers competitive rates for their travel insurance. You can book Comprehensive or Essentials cover for your domestic, international or multi-trip journeys simply with us.
